# **Developments During the Quarter**

## Summary

Aligned with our mission to Enrich Lives, we continued to improve our services, providing customers with the best value, and enhancing their everyday digital experience. In response to popular demand, we introduced all new 100GB plans, giving customers the flexibility to choose their preferred validity and allowance.

Recognising the importance of travellers as a key customer segment, we launched a new Traveller pack enabling them to enjoy more data and calling minutes while visiting the Maldives.

To express our gratitude for our customers' unwavering support and loyalty, we introduced the exciting 'Bodu Chuttee Lucky Draw', offering valued customers to win special prizes.

We are committed to achieving our vision by intensifying our efforts to enhance our digital touchpoints. Customers can now apply for and manage all their services remotely and far more conveniently than before through DhiraaguMobileAppandDhiraaguMyAccount.

We are delighted to announce that we have once again been honoured with the prestigious GOLD 100 award by Corporate Maldives for the seventh consecutive year. This recognition reaffirms our position as one of the top 100 business entities in the Maldives, highlighting our dedication to empowering customers and fostering loyalty through our digital services.

On May 17, we celebrated World Telecommunication and Information Society Day, by hosting a special TV talk show called 'Digital Raajje' featuring experts in telecom and digital technologies. The show emphasised technological advancements and our commitment to enriching lives and creating a secure digital environment. We engaged young audiences from schools and universities, and the talk show was broadcasted nationwide.

During the Holy Month of Ramadan, we revived Maldivian traditions such as flying kites during Ramadan with 'Dhiraagu Gudi Fest', along with other activities like the 'Thashibari Movement'. These events received an overwhelmingly positive response from children and adults across the Maldives. In the spirit of community and kindness during Eid celebrations, we distributed Eid Boakibaa during Eid-ul-Fitr and Dhiraagu Eid Bondibaiy during Eid-ul-Adha. Thousands of packs were generously distributed across various regions, including the Greater Male' area.

#### 2ND QUARTER REPORT 2023

#### 1.1 **KEY FINANCIAL HIGHLIGHTS**

Revenue decreased by 2% compared to previous quarter, primarily due to seasonal roaming revenue and Samsung flagship launch in Q1 2023. However compared to Q2 2022, revenue has increased by 3.5% mainly due growth from mobile data. Net profit and earnings per share increased by 4% versus the prior quarter, primarily due to the reduction in operating costs. Net cash flow decreased mainly due to outflows from financing and investing activities.
