* Speed will be reduced to upto 5Mbps once FUA (Fair Usage Allowance) is exhausted, however there will be no extra charges for additional usage.
 ** Speed will be reduced to upto 2Mbps once FUA (Fair Usage Allowance) is exhausted, however there will be no extra charges for additional usage.

Note:

- Actual speed on customer end will vary due to a number of factors including network configuration, line length, internet traffic, customer equipment and software. If customer's line doesn't support the maximum speed of the package customer would like to subscribe to, Dhiraagu will offer the best speed available on that line.
- For upload speeds of 1M and above customer needs to have CPE which supports Annex M to get the upload speed.
